(Use as much space as you need. Attach extra sheets if necessary.)

Georgia State officials used a convicted murderer that have a life sentence, gang member with no Fourth amendment rights in order to manipulate constitutional rights of Mr Jenkins. Agent Brent Minton of Savannah CNT as affiant on wiretap orders related to Mr Jenkins sealed case 160908112 Filed applications for wiretap orders Judge Timothy Walmsley approved. Within the order statements of why this invasive method is needed agent Minton alleged that Mr Allen a gang member that have no respect for police so it would be dangerous to introduce a CI, also Mr Allen is being investigated for two murder for hire cases at the same time Mr Allen is in the Georgia prison system with a life sentence for murder see wiretap affidavit #9 Filed Feb 17, 2017, #12 Filed March 18, 2017 of sealed case #160908112 note unable to send copies Judges refuse to allow me to have important parts of discovery. Intergovernmental concern was not with the protection of the public, the concern was how to get past the strict compliance orders congress placed in 1968 of wiretap orders. The unconstitutional malicious actions of agents, judges, and prosecutors abandoned

LF 028
Rev. 11/04/2019

abandoned the Fundamental protection of the Constitution, and deceived the citizens of Georgia. To hinder the unlawful action of the state violations the case was handed to the Federal government along with Prosecutor Noah Abram as a special prosecutor, a more money favor. CJA appointment of counsel for Mr Jenkins was Attorney William Turner. Mr Turner has no ethical value, we never went over the case together I've only seen video or audio at trial (emphasis added). August 22, 2018 Doc 428 Federal Case 4:17-cr-208 the government respond to a suppress wiretap motion (Doc 339) page 1 (3) The defendant has failed to establish a reasonable expectation of privacy, Commonly known as Standing (2) Defendant failed to comply with Fed R Crim P 12 and 47 (1) The defendant has failed to comply with SDGA LC-R 12.1; Mr Jenkins Filed several motions about Mr Turner poor performance and Judges Graham, Smith Ray and Moore of the Southern district of Georgia overlooked the Fundamental break down between Attorney Turner and Mr Jenkins ignoring the attorney that never went over the case with his client. At the same time grievances were Filed to the state bar on his actions were denied because items needed to prove my point Attorney Turner held from me as well as the court. Some of the issues were Filed in Complaint on Judge Moore July 2019 yet Aug 2019 Judge Moore held trial prejudicing my Fundamental Constitutional rights through comments He made at Tatunya Hailes Sentencing. The Southern district are washing each other hands and are above the law

VII. Injuries

If you sustained injuries related to the events alleged above, describe your injuries and state what medical treatment, if any, you required and did or did not receive.

VIII. Relief

State briefly exactly what you want the Court to do for you. Make no legal arguments. Cite no cases or statutes. If requesting money damages, include the amounts of any actual and/or punitive damages claimed for the acts alleged. Explain the basis for these claims.

Mr Jenkins is requesting 100,000 in order to retain an attorney that is able to protect the unlawful actions of the Chatham County, Southern district of Georgia. Mr Jenkins was forced to use an attorney with poor performance, forced to trial knowing no evidence, and forced to trial with a Judge that used negative comments at a hearing of a co. defendant about Mr Jenkins. The court derailed from its standing that is contrary to legislative intent. An investigation of the unlawful actions and ill intentions of all parties involved. Chatham County Case NO 16090811A, Southern district "Savannah" CR417-208 show malicious prosecution, selective prosecution, and misuse of judicial power. Remove any and all tapes of Mr Jenkins personal phone calls made outside of Judge Timothy Walmsley Jurisdiction of Chatham County. My private conversations should not have been used in any court

proceeding. This selective and vindictive prosecution has
been unlawful. To force Mr Jenkins to go to trial with a person
he fear was a improper joinder. Mr Jenkins should have been
protected as well the public from further crimes of Eugene Allen.

Signed this 18 day of March May, 2020.
